Frequently Asked... QUESTIONS! (FAQS)

WHAT CAN I EXPECT AT THE EVENT?

The Event Team has scheduled several pin trading related activities and we're excited for you to join us! Some of these activities include trading boards, trading areas, pin product previews, and more. Once available, please review the itinerary for specific times and activities. While some activities have set start or end times, the majority of the items on the itinerary are available all day. Therefore, you can determine when you want to complete certain activities, based on how you want to plan your time. There may be times during the day where you will be waiting in line and you should plan your day accordingly.

WILL TRADING TABS BE REQUIRED FOR THE TRADING ACTIVITIES?

Yes. Some trading boards and activities may require tabs and/or vouchers.

DISNEYLAND RESORT RULES, PIN TRADING GUIDELINES AND TRADING BAG RESTRICTIONS.

Please familiarize yourself with these guidelines - <https://disneyland.disney.go.com/park-rules/>, <https://disneyland.disney.go.com/faq/parks/pin-trading/>. Due to space limitations, each event attendee may only display one bag up to 24" x 15" x 18" (61cm x 38cm x 46cm) in size in the event area.

Event Registration QUESTIONS!

HOW WILL REGISTRATION FOR THE FUNABLE! AND ADVENTURABLE! PACKAGES WORK?

The registration link will redirect Guests to a virtual queue where they will be able to view their place in line and receive live updates on event availability. Note: Do not refresh the page while inside the virtual queue or you will lose your place in line. Each adult must log into their own MyDisney account to finalize their event ticket and to participate in the RSP.

CAN I ENTER THE VIRTUAL QUEUE BEFORE REGISTRATION OPENS?

A virtual "waiting room" will open one hour prior to event registration going live. You can join that waiting room by clicking on the registration link and are welcome to join at any point within an hour of registration time.

Event Registration QUESTIONS!

WILL ENTERING THE VIRTUAL WAITING ROOM EARLIER BETTER MY CHANCES OF GETTING A GOOD PLACE IN THE QUEUE?

When registration opens, you will be placed in our virtual queue in random order, regardless of how early you joined this page. All those who enter after booking begins, will be placed based on order of arrival.

HOW WILL I KNOW WHEN IT'S MY TURN TO REGISTER?

As registration progresses, you will see the number of Guests ahead of you decrease. If and once it's your turn you will be automatically directed into the registration form. Once you enter the registration form, you will have 5 minutes to complete each page. If you remain inactive for more than 5 minutes on any page, you will be transferred out of the registration form and virtual queue.

HOW MANY EVENT PACKAGES CAN I PURCHASE IN ONE TRANSACTION?

Guests may purchase two (2) tickets regardless of package type in a single transaction. They will be required to provide the first & last name and email address for each ticket purchased. Regardless of package, each guest may only have one (1) Event Package in his/her name.

ONCE I'M PUT IN THE QUEUE, AM I GUARANTEED TO BE ABLE TO PURCHASE A PACKAGE?

Due to high demand, entry into the queue or registration form does not guarantee event registration.

WHAT IS THE MINIMUM AGE REQUIREMENT FOR UNACCOMPANIED CHILDREN TO ENTER THE EVENT?

Children under age 14 must be accompanied by a Guest age 14 or older to enter the event. An event package is required for all event attendees ages 3 and up.

I WANT TO BE SURE ANOTHER MEMBER OF MY PARTY ALSO GETS A PACKAGE. HOW CAN I DO THIS?

At the time of registration, you will need to provide the first & last name and email address for each ticket purchased. Each guest will then receive an email to finalize their event ticket after the purchase is complete. Guests must submit this information within 72 hours to fully complete their registration; adult guests MUST sign into their own MyDisney account (not a shared account) to complete this step, however parents are able to sign into their own account to complete this for minor children. As a reminder, there are strictly no cancellations or refunds, and event packages are not transferable.

WHAT INFORMATION DO I NEED TO KNOW ABOUT THE ATTENDEES WHEN PURCHASING A PAIR OF PACKAGES?

At the time of registration, you will need to provide the name and email address to complete both of your registrations. Guests will then receive an email to submit their additional Guest information details after registration is complete. Each Guest must submit this information within 72 hours to fully complete their registration. As a reminder, there are strictly no cancellations or refunds, and event packages are not transferable.

IF I'M NOT SURE WHO MY SECOND GUEST WILL BE, CAN I GO AHEAD AND REGISTER THEM ANYWAY?

No. If purchasing a pair of event ticket packages, the names and email addresses of both registrants will need to be entered at the time of purchase. As a reminder, there are strictly no cancellations or refunds, and event packages are not transferable.

I PURCHASED A PAIR OF TICKETS. WILL WE ONLY BE ABLE TO SUBMIT ONE RSP PREFERENCE SHEET?

No. Each registered Guest will get to submit their own RSP preference sheet. Within three business days after registration is complete, the secondary Guest will receive an email link to provide additional information (such as address and phone number), and then will be able to submit their own RSP preference sheet.

Merchandise RSP RANDOM SELECTION PROCESS FAQs

WHAT DOES RSP MEAN?

RSP stands for Random Selection Process, a computer program designed to confirm limited edition product for purchase to event Guests based on their preferences. A minimum of three RSP's will be run for the event.

HOW DOES THE RSP WORK?

The RSP always starts with the first item and moves sequentially through the list of available items. It gathers all the Guests that put item #1 as their first preference, randomizes the Guest list and randomizes the available pieces. Next, it will match up a random Guest with a random piece, continuing until it either runs out of Guests or runs out of pieces. If it awards the item to every Guest that put item #1 as their first preference and still has items remaining it will gather all guests that put item #1 as their second preference. It will randomize these Guests and the remaining pieces and start matching again. The process continues through preference 3, 4 and so on until it either runs out of preferences or runs out of pieces. When item #1 is complete it will move to item #2 and gather all the Guests that put item #2 as their first preference. The RSP is complete when it either runs out of preferences or runs out of pieces.

WHAT IS THE CORRECT WAY TO FILL OUT MY PREFERENCE SHEET?

Guests should rank the ITEM number of the item they want most in the field "1st Choice" (using the drop-down box shown below), then the item they want second in the field "2nd choice," and so on. You should only list items in the 2nd or 3rd RSP's ONLY if you wish to purchase additional quantities of the same item. You can only request up to a quantity of 3 for a single item. (1 per RSP round)

First RSP

1st Choice	* 02. Ludwig Von Drake: Adventureland Banner
2nd Choice	14. Minnie Mouse: Peter Pan's Flight
3rd Choice	34. Disneyland Art Corner Gift Box Set
4th Choice	37. Disneyland Resort Map Puzzle Frame Set
5th Choice	15. Classic Castle - Dumbo

HOW SHOULD I FILL OUT MY PREFERENCE SHEET TO INCREASE OPPORTUNITY OF RECEIVING MY TOP PREFERENCES?

While preferences are not guaranteed, the best results come when you decide what items you want most and put those towards the top of the list. Remember also to consider the edition size of the items – higher edition size pieces will be available longer so they can be included lower on your list.

WHY DIDN'T I GET MY FIRST CHOICE?

The RSP results depend not only on the edition size of an item, but also on the number of other Guests that put that item as the exact same preference as yourself. If 200 Guests put an item as their first preference but there are only 25 of that item, 175 Guests will not receive their first choice. Guests that put that item as their second or higher choice do not even have a chance at purchasing it.

IF MY FIRST CHOICE IS NOT AVAILABLE, WILL THE RSP MOVE MY SECOND CHOICE UP TO BECOME MY FIRST CHOICE?

No, the system is not designed to change your preferences at all. Your preferences will always remain exactly as you mark them on your sheet.

I HEARD I CAN BE AWARDED SOMETHING ON MY 2ND RSP PREFERENCE LIST EVEN IF I DIDN'T RECEIVE IT IN THE 1ST RSP. IS THIS TRUE?

No. The system does not reserve quantities for assignment in the 2nd RSP. Items only make it to the 2nd round if every Guest that asked for it in the 1st round was awarded that item and there were still quantities remaining. This is why we ask Guests to not list items in their 2nd RSP preferences unless they want to purchase two of that item.

CAN I LIST THE SAME ITEM MORE THAN ONCE IN EACH RSP?

No – listing an item more than once will remove it from your preferences entirely. Each item should be listed only once per RSP round.

CAN I LIST ITEMS IN A DIFFERENT ORDER IN THE 2ND RSP?

Yes! Each RSP is completely independent, so you can list items however you choose.

CAN I TURN IN MORE THAN ONE PREFERENCE SHEET?

No, the system is designed to accept only one form per registered event Guest.

CAN I MAKE CHANGES TO MY FORM AFTER I SUBMIT IT?

You have until May 4 to make changes to your RSP preferences. After May 4, your preferences are locked and cannot be changed. If you do need to make an addition prior to the RSP deadline, please do so by logging back into the website and updating the RSP form. If your change requires a deletion of an item or change of order of preference, please call us at 407-827-7600 so that we can reset your choices.

DO FAMILIES OR GROUPS ON THE SAME RESERVATION HAVE A BETTER CHANCE TO RECEIVE THEIR PRODUCT?

No. The system looks at the individual preferences and does not have any way to track parties that may be attending together.

IF I'M AWARDED TOO MUCH PRODUCT, WHAT CAN I DO?

We do ask that you only list items you truly wish to purchase on your list – if you know you don't want something, please do not include it on your RSP preference list. Also, if multiple registered event Guests in your group are interested in an item but your group only wants one of that item, please tell us when you first turn in your RSP preferences so we can remove unwanted items and assign them to another Guest. If all else fails, as soon as you receive your selection notice with the list of awarded items, you can contact Disney Events to have items removed. Once you pick up your items from the event, ALL SALES ARE FINAL and NO REFUNDS OR EXCHANGES will be offered, so it is important to remove items as soon as possible.
